Richard

Glad the timing worked out to meet. Would really like to chat with you about IRIS when you have some time. Do you have a scheduler that my Exec Assistant could work with to set up a time that works for both of us?

Thanks so much,

Dear Maureen,

It was good meeting you and your colleagues - I know it was a short introduction, but I would like to speak with you all further on the phone regarding issues that are on your radar.

Thank you and best regards,

Richard
